**Deadline
27 September**

As part of the Embassy of Japan in India's Japan Month, GR Japan will organise an engaging workshop on green investment opportunities in India, featuring speakers from Climate Policy Initiative, an analysis and advisory organisation with deep expertise in finance and policy, and JBIC IG Partners.

Join us as we explore opportunities for enhancing Indo-Japanese business cooperation in India's key green energy sectors.

PROGRAM OVERVIEW

Opening Remarks

Embassy of Japan in India

Part 1

India-Japan Fund: Supporting Your Business in India
JBIC IG Partners

Part 2

India Battery & Green Steel Market Landscape
Climate Policy Initiative

Part 3

Guided Q&A Session on Battery and Green Steel

Following the workshop, onsite participants are invited to join the networking session with refreshments.
